New Mexico

MISSION: To provide sports training & competition for individuals with intellectual disabilities, giving them the opportunity to develop physical fitness, demonstrate courage, experience joy, and participate in a sharing of gifts, skills and friendship with their families, other athletes and the community.

## **Special Olympics New Mexico (SONM) Gallup is having its 2025 Fundraising Drive**

Our athletes have the opportunity to participate in year-round sports training and competition in aquatics, basketball, bowling, corn hole, golf, poly hockey, softball, track & field, and volleyball.

Our annual budget is approximately \$17,000—with more than 97% of funds directly supporting our 40+ local athletes—making it possible for them to compete in both area and state-wide competitions

**Without the support of donors like you, none of this would be possible....
