The Kentuckiana Cluster of Dog Shows would like to include the freelance photography community to capture competitors during their events, excluding FastCAT & CAT. There is an official photographer who is hired by the Clubs. The official photographer has the exclusive rights to photograph all win shots. **No freelance photographer may shoot any of the official wins at any time.** This includes any picture of an entry, a judge, and ribbons.

Any freelance photographer who desires to have private photoshoots may do so as long as the activity does not happen within the venue limits, which includes the outside grounds, during the Cluster's contracted period.

The fee for a freelance photography permit is \$400. There will be an additional fee if you would like a booth and one is available.

Completing this form only indicates interest and does not guarantee that a permit will be assigned to you. The Kentuckiana Cluster reserves the right to invite or decline any freelance photography request.
