

Beautiful, affordable custom kitchens

DELIVERED ON TIME, EVERY TIME.

FIELDSTONE
CABINETRY

SOFT CLOSE DRAWERS & DOORS: PEACE IN THE KITCHEN.

Imagine this in your home: cabinet drawers that extend fully and close quietly, and cabinet doors that close quietly. Fieldstone Cabinetry drawers are standard with full extension for easy access, no glide hardware showing, and a whisper quiet close that steers even fully loaded drawers to a smooth, silent closure. Soft close doors are standard on all overlay cabinetry, and on inset cabinetry built with concealed hinges.

ALL-WOOD CONSTRUCTION, INSIDE AND OUT

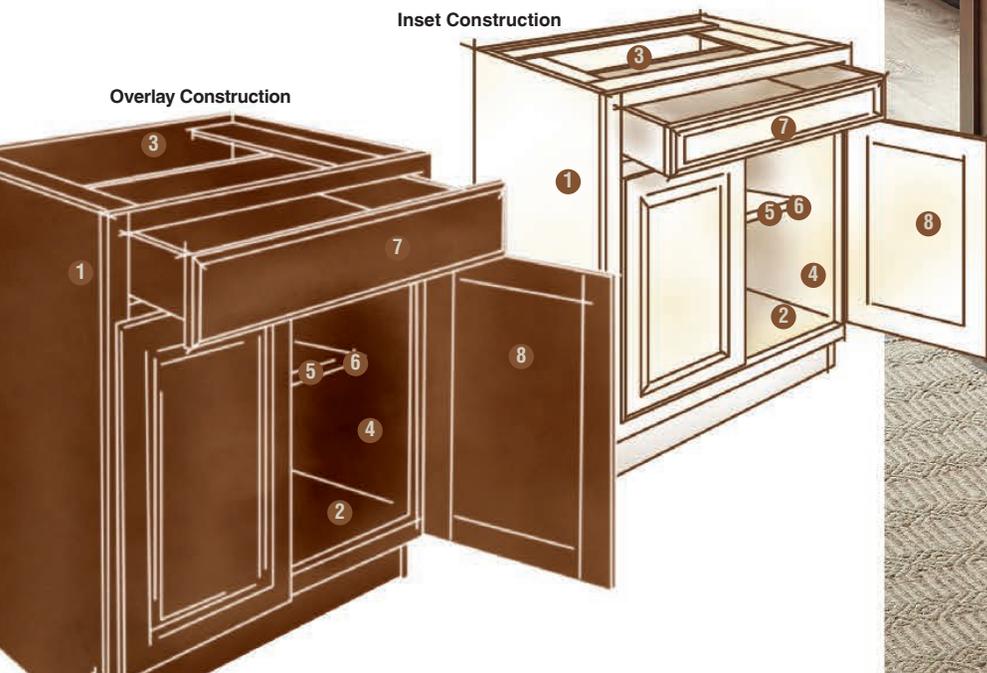

- We use all-wood construction to make Fieldstone Cabinetry. There is no cheap wood or fake wood in our cabinetry.
- Our cabinets have substantial end panels—they can handle your granite countertops! Our end panels are made from hardwood plywood that is 3/4" thick.
- We create drawers with 5/8" thick hardwood and dovetail joinery.
- Because the glides are underneath, drawers can be as wide as possible, giving you more room and more organizational options.
- Shelves are 3/4" thick hardwood plywood. The shelves are adjustable, so you can arrange your cabinets exactly how you want.
- The interiors are bright, light and easy to keep clean.

For more information, ask for the *Cabinetry Comparison Workbook*.

American Craftsmanship
Manufactured in Sioux Falls, South Dakota
from domestic and global components

Fieldstone Cabinetry is a Norcraft Companies brand.
Norcraft Companies is part of the MasterBrand Cabinets, Inc. family.

STRONG AT THE FINISH

All cabinet manufacturers have access to the industry's entire line up of finish materials, from good to better to best. At Fieldstone Cabinetry, we start with the best material.

Then, we choose processes that make the most of these finish materials. Most of these processes involve elbow grease! No cabinet manufacturer puts more manual labor and handwork into each cabinet than Fieldstone Cabinetry.

Each finish we offer creates a unique furniture look, adding beauty, color, and depth to nature's most versatile material: wood.

One of the
TALLEST TOP DRAWERS!

FIELDSTONE CABINETRY IS ENVIRONMENTALLY RESPONSIBLE.

Fieldstone Cabinetry is a certified brand in the Kitchen Cabinet Manufacturers Association (KCMA) Environmental Stewardship Program. The program recognizes companies that demonstrate an ongoing commitment to sustainability including the use of environmentally responsible materials in cabinet products and minimized environmental impacts realized through recycling wastes and using low emission coatings. By achieving this certification, Fieldstone Cabinetry is going beyond minimum requirements and demonstrates leadership in growing a sustainable company.

Fieldstone Cabinetry is CARB II compliant and ESP certified.
