## January Theme New Life II Corinthians 5:17

Happy New Year is the greeting most commonly heard at this time of year. The old year is now over and its time to start a new one. Starting a new year isn't the same as starting a new job, or new activity or even a new diet. Starting a new year is really just starting over. Starting over the name of the month we are living in. We lived in January before. It's time to live in January again. We'll do the same for February, March and so on. Yes, we will celebrate getting older by another year. Starting a new activity is different. We go and sign up. We're excited because we've seen and maybe participated in the activity. Maybe its volleyball, fencing, painting, volunteering, or maybe even getting a pet rabbit. Starting a new job can be exciting and stressful. And lastly, starting a new diet will give us the confidence to know we are working towards a better more healthier body and mind. After passing your test in karate, you get excited about learning newer more advanced kicks, punches, stances, sparring, board breaking and weapons. You anticipate sparring more advanced students. Maybe you've made a friend and they are in the class you just passed your test to go into. Now you get to train together and go up to Black belt together.

When Paul was talking about becoming a *new* creation in Christ, he was saying we were walking out our lives without Jesus in our everyday decision making. Deciding what? Kids, deciding if you should bully that same person you've been bullying. Parents, deciding not to lead your kids by an example that could be a healthier and happier lifestyle. The bible says, train up your children in the way they should go so when they're older they won't depart from it. Bosses and managers, also, leading by integrity for who God has put you in charge over. Not to play politics and "lord over" your staff. You used to do those things. Paul said, the old things you used to do, the bad habits you know were wrong, have passed away, behold, all things have become new. Did he say *some things or all things*? **All things** have become new. Your new life in Jesus will reflect his holy spirit working in and through you. You should start seeing more love, joy, peace, gentleness, faithfulness, kindness.

Yes, it may be a new year. You maybe saying, "oh thank God that year is over." Maybe you should leave your our old life behind and start a new life in Jesus Christ. You can do that right now. The bible says, confess with your mouth the Lord Jesus and believe in your heart God raised him from the dead and you will be saved. Saved from what? From the bully you have become. Or that unkind selfish boss you have become. Saved from eternal hell. With Jesus in your life you can be that happier, kind, loving, compassionate person, and have eternal life in Jesus.

This month my son/daughter has demonstrated both at home and at school those qualities of Black Belt Excellence required by the school for students seeking to earn belt advancement.
