FALL FOR JESUS

HE NEVER LEAVES

A SIMPLE FALL CRAFT TO COLOR, CUT & CREATE TOGETHER

WHAT YOU'LL NEED

- Printed tree and leaf pages
- White paper or cardstock
- Optional: fall-colored paper
- Crayons or markers
- Child-safe scissors
- Glue stick or school glue

YOU CAN TRY:

Print the leaves directly onto fall-colored paper for bright leaves without extra coloring!

LET'S MAKE IT!

1. **Print**
   Print one tree page and one leaf page.
2. **Color**
   Color the tree page and leaves. If you used colored paper for the leaves, you can skip coloring them.
3. **Cut**
   Cut out the leaves along the dotted lines. A grown-up can help with this step.
4. **Create**
   Arrange the leaves on the branches. Overlap them to make your tree look full.
5. **Glue**
   Glue each leaf in place, then let your picture dry.

Talk About It

Fall leaves change color and eventually fall from the trees, but Jesus never leaves us. While you make your craft, talk about times when Jesus helps your family feel loved, safe, or brave.

Say together: "Jesus is always with me!"
