Indemnification

(1) Third Party Actions. The Association shall indemnify any person who is or was a party or is threatened to be made a party to any threatened, pending, or completed civil, criminal, administrative, or investigative action, suit, or proceeding, including all appeals, other than an action, suit or proceeding by or in the right of the Association, by reason of the fact that the person is or was a Trustee or officer of the Association or is or was serving at the request of the Association as a director, trustee, officer or employee of another domestic or foreign non-profit corporation or corporation for profit, or a partnership, joint venture, trust, or other enterprise, against expenses (including attorney's fees), judgments, decrees, finds, penalties, and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if that person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the Association and, with respect to any criminal action or proceeding, if that person had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not create, of itself, a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interest of the Association and, with respect to any criminal action or proceeding, a presumption that the person had reasonable cause to believe that his or her conduct was unlawful.

(2) Derivative Actions. The Association shall indemnify any person who is or was a party or threatened to be made a party to any threatened, pending, or completed action or suit, including all appeals, by or in the right of the Association to procure a judgment in its favor by reason of the fact that he or she is or was a Trustee or officer of the Association, or is or was serving at the request of the Association as a director, trustee, officer, or employee of another domestic or foreign non-profit corporation or corporation for profit, or a partnership, joint venture, trust, or other enterprise, against expenses (including attorney's fees) actually or reasonably incurred by him or her in connection with the defense or settlement of such action or suit if he or she acted in good faith, and in a manner he or she reasonably believed to be in or not opposed to the best interest of the Association, except that no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such person is finally adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Association unless, and only to the extent that, the Court of Common Pleas or the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the Court of Common Pleas or such other court considers proper, or (b) any action or suit in which liability is asserted against a Trustee pursuant to Section 1702.55 of the Ohio Revised Code.

(3) Rights After Successful Defense. To the extent that a Trustee, officer, or employee has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in the preceding paragraphs, or in defense of any claim, issue, or matter in such an action, suit or proceeding, he or she shall be indemnified against expenses (including attorney's fees) he or she actually incurred in connection with that action, suit or proceeding.

(4) Other Determinations of Rights. Unless ordered by a court and subject to the provisions of paragraph 3 of this Article, any indemnification under paragraphs 1 and 2 of this Article shall be made by the Association only as authorized in the specific case, upon a determination that indemnification of the Trustee, officer or employee is proper under the circumstances because he or she has met the applicable standard of conduct set forth in paragraphs 1 and 2 of this Article. Such determination shall be made by (a) the Court of Common Pleas or the court in which the action, suit, or proceeding referred to in paragraph 1 or 2 of this Article was brought, or (b) by a majority vote of a quorum consisting of Trustees of the Association who were not and are not parties to or threatened with the action, suit or proceeding referred to in paragraph 1 or 2 of this Article, or (c) in a written opinion by independent legal counsel (meaning a lawyer who is not a Trustee, officer, or employee of the Association, and is not a partner or professional associate of a Trustee, officer, or employee of the Association), if a majority of a quorum of disinterested Trustees so directs or (d) by a committee (selected by the Board of Trustees) of three or more persons (excluding any person involved in the matter) who are, to the extent possible, members of the Association, provided that such indemnity in case of a settlement shall not be allowed by such committee unless independent legal counsel finds that such settlement is reasonable in amount and in the best interest of the Association. If independent legal counsel is used, he or she shall be compensated by the Association.

(5) Indemnification of Agents, Employees, and Other Representatives. The Association may, from time to time, and in its sole discretion, indemnify any person who is or was an agent, employee, or other authorized representative of the Association, or is or was serving at the request of the Association as a director, officer, or employee of another corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against him or her or incurred by him or her in any such capacity or arising out of that person's status as such, in the same manner and to the same extent as provided herein for Trustees and officers of the Association.

(6) Indemnification of Trustees. Expenses incurred by a Trustee of the Association in defending any action, suit or proceeding referred to in paragraph 1 or 2 of this Article, except any action, suit or proceeding brought pursuant only to Section 1702.55 of the Ohio Revised Code, shall be paid by the Association. Upon request of the Trustee, and in accordance with paragraph 7 of this Article, such expense shall be paid by the Association as incurred. However, expenses incurred by a Trustee in defending an action, suit, or proceeding shall not be paid by the Association upon final disposition of the action, suit, or proceeding, or if paid in advance shall be repaid by the Trustee, if it is proved, by clear and convincing evidence in a court with jurisdiction, that the act or omission of the Trustee was one undertaken with a deliberate intent to cause injury to the Association or was one undertaken with a reckless disregard for the best interests of the Association.

(7) Advances of Expenses. Expenses of each person indemnified herein incurred in defending a civil, criminal, administrative, or investigative action, suit, or proceeding (including all appeals), or threat thereof, may be paid by the Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Board of Trustees, whether a disinterested quorum exists or not, upon receipt of an undertaking by or on behalf of the Trustee, officer, or

employee, to repay such amount, if it is ultimately determined that he or she is not entitled to be indemnified by the Association.

(8) Nonexclusiveness; Heirs. The foregoing rights of indemnification are not exclusive, and shall be in addition to any other rights granted to those seeking indemnification, as a matter of law or under these Articles, the regulations, any agreement, vote of members or disinterested Trustee, or otherwise, both as to actions in their official capacities and as to actions in another capacity while holding their offices or positions, and shall continue as to a person who has ceased to be a Trustee, officer, or employee and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(9) Purchase of Insurance. The Association may purchase and maintain insurance, or furnish similar protection, including but not limited to trust funds, letters of credit, or self-insurance, for or on behalf of any person who is or was a Trustee, officer, agent, or employee of the Association, or is or was serving at the request of the Association as a director, trustee, officer or employee of another corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against him or her or incurred by him or her in any such capacity, or arising out of that person's status as such, whether or not the Association would have the power to indemnify that person against such liability under the provisions of this Article or of the Ohio Nonprofit Corporation Law. Insurance may be purchased from or maintained with a person in which the Association has a financial interest.

ARTICLE VIII

Net Earnings and Dissolution

(1) Net Earnings. No part of the net earnings of the Association shall inure to the benefit of or be distributable to the members, trustees, officers, or other persons, except that the Association shall be authorized and empowered to reimburse any trustee, officer, or member for the actual expenses incurred in the performance of that individual's duties and in the furtherance of the purposes set forth in Article I.

(2) Dissolution. the Association shall exist so long as: (a) the Association owns or holds an easement to any portion of the Common Amenities, or (b) any restrictions, enforceable by the Association, remain applicable to any lot in Eagle Creek Subdivision as described in the Declaration and Protective Covenants. Each holder or insurer of a first mortgage upon any such lot shall be entitled to timely written notice of any proposed termination of the Association. Upon dissolution, the assets of the Association shall be dedicated to public use, or conveyed to an Association with substantially the same purposes if not acceptable by the appropriate public authority, or in the event that neither of these objectives can be accomplished, conveyed, in equal undivided interests per lot to the owners of lots in Eagle Creek Subdivision, except in the case of lake areas surrounded by lots owners, those lake areas shall be conveyed in equal undivided interests per lot to the owners surrounding the particular lake.

ARTICLE X

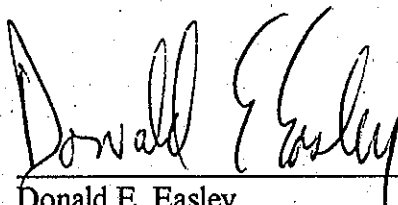

Definitions

All terms used herein shall have the same meanings as set forth in the Declaration.

ARTICLE XI

Amendments

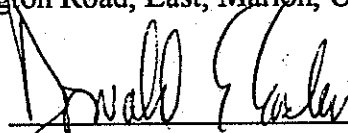

The Articles may be amended only under the same terms and conditions, and with the same approvals, as are provided in the Declaration for its amendment. Notwithstanding the foregoing, and in addition thereto, the consent of all members present, in person or by proxy, who are entitled to vote at a duly called and noticed meeting of the Association, and the written consent of Donald E. Easley, Dawn G. Easley, Donald E. Jury and Helen J. Jury, or their successors, (the "Declarant" under the Declaration), so long as it or its successor continues to own one or more of the lots in Eagle Creek Subdivision, as described in the Declaration, shall be required for any amendment hereto which effects a change in (1) the method of dividing the assessments, (2) the method of voting on Association matters, and (3) the fundamental purposes for which the Association is organized. A holder or insurer of a first mortgage on any lot, upon written request to the Association (which request shall state the name and address of such holder or insurer and a description of the lot), shall be entitled to timely written notice of any proposed amendment hereto.
