HIGH SCHOOL AGE

.....

At Performance Edge we love to offer fun and encouraging dance classes for all ages!

For our Teen dance classes, which are available to all our High School aged students, we offer classes in Jazz, Tap, Ballet, Hip Hop, Lyrical & Acro. All classes range from either a 45min to an hour lesson depending on the dance style.

We then offer our Teen students the option of our Troupe team classes. These classes occur on a different day of the week to their regular Intermediate classes and offer students more on stage performance opportunities throughout the year. These classes is available to all Teen students who partake in Ballet & Jazz classes. Ages for these classes are based as of age on 1st January 2022 so check our timetable to see which classes/ age group is available for your child.
