"Lori was our real estate agent when we were looking for a new home in Alamo/Danville for our growing family. Lori gave us invaluable advice during the negotiating process. She was very responsive throughout the entire process. We ended up getting our house for a great value. She has extensive knowledge of the East Bay area having grown up here. She knows the market, schools and neighborhoods. She is extremely honest and trustworthy and she listens. We consider her our trusted adviser in real estate."

"The Lori Nader Team was instrumental in selling my house for Top Dollar! They took charge immediately, arranged an estate sale, ordered inspections, and sold my house in record time. Four days later it sold -all cash and no contingencies. Their resources, years of experience and invaluable guidance, made the sale of my house in Round Hill stress free. I highly recommend Lori and Lindsay. They will always have your best interest in mind."
