

# Let's **TEAM UP** and work **TOGETHER!**

## *Run for the Board of Directors and help keep the MTFCI rolling!*

The MTFCI thrives when members step forward, share their talents, and help guide our future. If you've ever thought about getting more involved, now is a wonderful time to run for the Board of Directors. You'll not only make a difference — you'll have a great time working alongside fellow members who care deeply about keeping the MTFCI strong for generations to come. Interested? We'd love to hear from you.

The Board of Directors is responsible for conducting the Club's business, finances, and program operations; offering guidance to the membership; implementing new initiatives; and updating policies to meet the needs of the MTFCI community. Board members are asked to:

- Attend four Board meetings each year, either in person or online, along with monthly online executive strategy sessions
- Serve on committees throughout the year to support the membership and advance Club projects

A detailed overview of how the MTFCI Board of Directors and MTFCI Foundation operate can be

found in the Operations Manual on our website, [www.modelt.org](http://www.modelt.org). If you have questions or would like to learn more, any current Board member would be happy to talk with you. Their contact information is listed on the inside front cover of the *Model T Times*.

### **To place your name on the ballot:**

Submit the following items to the Elections Chairman at [mtfci.exe.dir@modelt.org](mailto:mtfci.exe.dir@modelt.org) by **August 1, 2026**. Submissions may also be mailed to the Elections Chairman, c/o MTFCI, P.O. Box 95, Allendale, MI 49401, but an *electronic version* of the biography and photo must be included.

- Completed Candidate Survey (download at [www.modelt.org](http://www.modelt.org) or request one from the MTFCI office)
- A typed biography of **no more than 200 words** (to appear in the *Model T Times*)
- A current photo

All candidate biographies will be printed in alphabetical order in the Sept/Oct issue of the *Model T Times*.
