EVENTS COVERED

The insured are covered for occurrences happening on any property which is rented, leased or used by a Chapter for Chapter-sponsored activities. This includes, but is not limited to, Chapter-sponsored meetings, tours, picnics, dances, swap meets, parades and Chapter offices.

NOT COVERED

Automobiles themselves are not covered. It is the responsibility of every participant to have his/her own automobile liability insurance. Although this insurance coverage protects the Chapter in the event of some mishap, it in no way covers insured, underinsured or uninsured owners and drivers in auto-related accidents. State laws regarding automobile insurance coverage must be obeyed.

Sponsored events that do not comply with the laws of the State in which they occur.

Events using grandstands, **UNLESS THE GRANDSTANDS ARE INSPECTED**. If grandstands are inspected and used for an event where there is no charge. If the grandstands are not inspected and used, there will be an inspection charge. At least 60 (sixty) days' notice to the International agent must be given for inspection.

QUALIFICATIONS

Chapters must be active Chapters of The Model T Ford Club International and comply with the Bylaws of the International.

CERTIFICATE OF INSURANCE

If a Chapter rents or uses an area for an event, it may be requested to provide liability for the owner. If a Certificate of Insurance is needed for the landlord, it will be issued at no charge. At least 30 (thirty) days' notice must be given. Contact the International agent listed on page one.

FINAL NOTE

We ask that you do not accept our brief description of the insurance coverages as a complete explanation of the policy. We have tried to word the coverages in a non-legal way so it can be better understood. However, a narrative description can never replace a policy; and the actual policy language will govern the scope and the limits of coverage involved.

Any questions pertaining to our insurance coverage should be directed to the International agent shown on page one.
