

Extra Postcards

This template provides students that would like to create additional postcards from page 16 of *Moving Forward Together*.

A rectangular postcard template with a light blue background and a brown border. On the right side, there is a small square illustration of a yellow dog with a blue collar and its tongue out. Below the illustration are four horizontal brown lines for writing. A vertical brown line is positioned to the left of these lines, separating the address area from the message area.
