

NE District Auction March 31st - April 5th, 2025

We would love to have you support the incredible high school athletes who compete for Clackamas, Corbett, Estacada, LaSalle, Lincoln, Nelson, Sam Barlow and Sandy.

What is OHSET?

Oregon High School Equestrian Teams is dedicated to promoting and organizing equestrian competition in high school programs. The program was first in the Southern District in 1993 and has grown to nearly 1000 athletes. The team environment in OHSET promotes sportsmanship and strengthens an athlete's connection to their peers and school. While increasing horsemanship skills and creating a great platform to earn a position on a collegiate equestrian team.

What is the cost to the student?

Each athlete is assessed an annual registration fee of \$425 that covers participation in all events. These funds are sent to the district and state and do not completely cover the cost to run our district. Currently there is a \$7,000 shortfall for next season. Because OHSET is not recognized as an OSAA sport, there is no school funding for any of the teams.

How can I help?

2. You can sponsor our district with a cash donation.

*OHSET is a 501c3 and your donation will be considered a charitable donation. See tax info below.
