

Colony Pumpkin Patch & Corn Maze

Application for Employment

Colony Pumpkin Patch offers a fun and exciting fall experience for those that are up for the challenge. Jobs here are unique and unusual, yet fun for everyone! Our goal is to extend our farm to the public create the BEST experience our guests can have. Guest satisfaction is accomplished with excellent employees who have great attitudes and quality customer service.

Consider the following prior to applying:

CPP is a fun place to work, but is hard work! Employees are encouraged to take breaks when possible, but finding the time to do so can be difficult. This is SEASONAL work so long hours can be expected, and employees will find it difficult to attend extra-curricular activities. Guests can be 'not so nice' at times, but it will be the employees job to continue providing quality customer service with a smile.

General Policies:

Employees must arrive and clock-in prior to shift start to prepare work areas, familiarize themselves with equipment, address communication needs, etc. Equipment is expensive and each employee is responsible for proper care and handling. Each shift will require end shift responsibilities (clean up, trash pick up, return of equipment, etc.) prior to clocking out. End shift times will depend on when guests leave, which can be after the listed hours of operation. Appearance must be clean and neat with no visible piercings. Clothing should be clean and with no tears or rips, and hair clean and worn off the face. Tattoos must be covered if possible.

We want you to have FUN while you work here! The excitement and enthusiasm you have is carried forward to our guests for an awesome experience that they will share with others. Our hope is that you will return year after year to join us in this adventure!
