

IT'S TIME... THE FALL FEASTS HAVE ARRIVED — GOD'S APPOINTED HOLY DAYS!

We begin with **Rosh Hashanah**, also known as **Yom Teruah** or the **Feast of Trumpets** —
a day of **blowing the shofar, sounding the alarm, and awakening our hearts.**

This marks the start of the **10 Days of Awe**, leading up to the **Day of Atonement (Yom Kippur)** —
a sacred time for **repentance, reflection,** and returning to the Lord.

Now is the moment to make a **proclamation, a holy announcement,** and a **soul check** before God.

 **Be sure to check the Homework tab for the rest of this week's assignment.**
