

Are We Nearing a Nuclear Holocaust? Prophecy, Warning, and the Urgency of the Hour

June 2025 | WAJD News

With global tensions at a boiling point, the fear of nuclear war is once again capturing headlines and stirring hearts. From hostile threats between world powers

to advanced warheads capable of mass destruction, many are asking: Are we standing on the edge of a global catastrophe?

The answer may be found not in political speeches or defense briefings—but in the

unchanging Word of God.

Jesus warned in Matthew 24:7 that in the last days, “nation shall rise against nation, and kingdom against kingdom,” with wars, famines, and earthquakes increasing like birth pains. The Book of Revelation gives an even more sobering

picture—where fire falls from the sky, waters are poisoned, the sun and moon are

darkened, and vast numbers perish (Revelation 8–9).

These are not the words of science fiction—they are prophetic warnings that point

to real, coming judgment. What mankind calls nuclear fallout, the Bible has already declared as part of the end-time shaking.

But here is the good news: God is in control, and His Word tells us what to do.

“When these things begin to come to pass, then look up, and lift up your heads; for

your redemption draweth nigh.” – Luke 21:28

In a world trembling with uncertainty, the Church must rise—not with fear, but with fire. This is the hour to sound the alarm, preach the gospel, and call people to

repentance. While the world builds bunkers, we build on the Rock—Jesus Christ,

our only refuge and salvation.

Let us remember: Our hope is not in governments or weapons, but in the King of

Kings who is soon to return. Are you ready?

Are We Nearing a Nuclear Holocaust?

Prophecy, Warning & The Urgency of the Hour

Global Tensions Are Rising

From the threat of advanced nuclear weapons to increasing hostility between nations, fear is spreading fast. Could we be witnessing the final countdown to a global catastrophe?

But God's people aren't caught off guard. The Bible has already revealed what the world is just beginning to fear.

Prophecy in Motion

Jesus said in Matthew 24:7

“Nation shall rise against nation, and kingdom against kingdom...”

And Revelation chapters 8 and 9 describe unimaginable destruction—fire, darkness, poisoned waters, and massive loss of life. These signs aren't fictional—

they are prophetic birth pains warning of the Lord's soon return.

Not Fear... But Faith

This is not the time to panic. It's time to prepare, pray, and proclaim the gospel.

“And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.” – Luke 21:28 KJV

The Church Must Rise

While the world builds bunkers, we build on The Rock—Jesus Christ. Our hope is

not in political power or global peace talks. Our hope is in the return of the King!

Let this be a call to action:

- Repent.
- Preach the Truth.
- Shine in the darkness.

WAJD Ministries

We are not here to scare you. We are here to prepare you. The time is short. The

harvest is ready. Let's work while it is still day.
