IN LOVING MEMORY OF

Bailey

Bailey had a beautiful heart for Africa and a special love for helping children in need.

Each year on her birthday, we honor her memory by asking for special donations to help support the children in Namibia, Africa, through our ministry.

This week, we invite anyone who feels led to make an extra donation in Bailey's honor, continuing the love and compassion she had for these children.

> Every donation, big or small, helps us carry on something Bailey held dear to her heart.
