Lightning struck a group of people at Mustang Park on Lake Benbrook, North Texas, on Sunday evening, June 1, according to the Cresson Fire Department.

At least 14 people were struck by lightning just before 18:30 local time (LT) on Sunday. Two of the victims were hospitalized, while the others were treated at the scene.

Lightning struck the region as thunderstorms moved through, with the National Weather Service (NWS) issuing a Severe Thunderstorm Warning for the area at around 18:55 LT on Sunday. A tree and a vehicle were also damaged by the lightning.
