Special Study — The Eighth Day

For the Eighth Day, go back and study Leviticus 23:36, 39; John 7:37–39; and Revelation 20:1–6; and Revelation 21:1–4. We have touched on the Eighth Day, but I want you to go deeper into the Scriptures and explain what they show about God's future plan for His people.

Study These Scriptures

- Leviticus 23:36, 39
- John 7:37–39
- Revelation 20:1–6
- Revelation 21:1–4

Bring the Four Feasts Together

As you bring the four feasts together, explain how they point to Jesus Christ and His Church, and what they reveal about our relationship with God through Christ. What do these appointed times show us about where we have come from, where we are with God now, and where God's plan is taking us?

Use Scripture in Your Essay

Use Scripture throughout your essay and explain it in your own words. I want to see how you understand the Word and how you put everything we have studied together.

As You Write, Consider

- What do these feasts reveal about God and His purposes?
- How do the Scriptures fit together?
- How do these appointed times point to Jesus Christ and His Church?
- What do they reveal about our relationship with God through Christ?
- Where have we come from, where are we now, and where is God's plan taking us?
