CHRISTIANS ARE FALLING INTO SATAN'S SPELL

— DECEPTION IS GROWING—STAND FIRM IN GOD'S WORD —

1. THE SPELL OF DECEPTION

Satan's strongest weapon is deception. He does not always appear as obvious evil. He twists truth, makes sin look harmless, and slowly pulls believers away from prayer, Scripture, and obedience.

For Satan himself is transformed into an angel of light.
— 2 Corinthians 11:14 (KJV)

2. WARNING SIGNS

- Feelings replace biblical truth.
- Entertainment replaces prayer.
- Compromise begins to feel normal.
- Every popular voice is trusted.
- Conviction is dismissed as judgment.

3. HOW THE ENEMY WORKS

Distraction keeps us from prayer.
Division separates believers.
Doubt weakens faith.
Deception makes darkness appear to be light.

4. BREAK FREE AND STAND FIRM

Test every spirit. — 1 John 4:1

Put on the whole armour of God.
— Ephesians 6:11

Renew your mind through God's Word.
— Romans 12:2

Watch and pray. — Matthew 26:41

Abide in Jesus Christ. — John 15:4
