ABOUT THE ALEUTIAN ARC

The Aleutian Islands are part of a highly seismically active region. The Pacific Plate subducts (moves beneath) the North American Plate here, which frequently produces strong earthquakes.

The Alaska Earthquake Center had already been tracking an earthquake swarm near Nikolski in September 2026, showing increased seismic activity in the area.

EARTHQUAKES REMIND US...

Our world is active —
and our God is in control.

SAFETY REMINDERS

- If you feel strong or long-lasting shaking and are near the coast, move to high ground or inland immediately and follow official alerts.
- Be aware of possible aftershocks.
- Stay away from damaged structures.
- Monitor official sources: USGS, Alaska Earthquake Center, and NOAA/National Tsunami Warning Center for updates.
- Have an emergency plan and supplies ready, especially if you live in coastal areas.

*Be prepared, stay informed,
and keep others in prayer.*

*God is our refuge
and strength, a very
present help in trouble.*

Psalms 46:1 (KJV)

Scripture for Today

God is our refuge and strength, a very present help in trouble.
Psalms 46:1 (KJV)

Therefore will not we fear, though the earth be removed,
and though the mountains be carried into the midst of the sea;
Though the waters thereof roar and be troubled, though
the mountains shake with the swelling thereof. Psalms 46:2-3 (KJV)

For the LORD is a great God, and a great King above all gods.
In his hand are the deep places of the earth: the strength of the hills
is his also. Psalms 95:4-5 (KJV)

A PRAYER FOR ALASKA

Heavenly Father,
We lift up the people of Alaska, especially those near Nikolski and throughout the Aleutian Islands. Please keep them safe, bring Your peace, and give wisdom to officials. First responders, and all who serve. Protect the coastal communities, and be their strength in this time of uncertainty. Calm their hearts and remind them that You are with them always.

In Jesus' name, Amen.
