FACTS, FAITH & COMPASSION

CONFIRMED IN THE SOURCES

Reports describe flooding, blocked roads, evacuations and rescue operations. SANA's October 31 account gives eight deaths, four missing and 60 rescued, citing the emergency minister. [2]

WHAT REMAINS UNCERTAIN

The death toll differs from Reuters' earlier seven. The discrepancy is disclosed rather than treated as independently resolved. The current status of the four missing people and a final damage total were not verified for this edition.

HOW WE CAN RESPOND

Help through established organizations that can verify local needs. Pray for practical relief: shelter, safe drinking water, food, medicines and support for families whose homes or livelihoods were damaged.

A CLOSING PRAYER

Heavenly Father, comfort those mourning loved ones in Syria. Protect the missing and strengthen those searching for them. Bring healing to the injured, shelter to displaced families, and wisdom and endurance to rescue teams. In Jesus' name, Amen.
