Dear

Hello from the North Pole!
I am so excited to join your family!

My job is to watch and listen, then fly to Santa in the North Pole each night to report back. You can find me each morning in a new fun place until Christmas Eve.

Please keep my magic safe by not touching me!

I'd love for you to choose a special name for me. This will become my new name when I come back to visit each year.

Get ready for fun!
LOVE, YOUR ELF
