Covenant Coaching

I enjoy watching dreams come to life. Sometimes what you need is not just a business plan or a life skill but to gain an inner confidence in who you see yourself becoming. The hardest person to have faith in sometimes is oneself. I am here to join you on your journey.

My coaching philosophy is found in Romans 12:2, 'Do not conform to the pattern of this world, but be transformed by the renewing of your mind.'

Let's see if am I the one sent to help you reach your goal!

NEW

Personal Business Solutions (PBS)

I have been working with new solopreneurs for five years. I am recognizing one shortcoming, a lack of basic business knowledge. I expanded my business to include personal business consulting. I share my experience with IRS for over 25 years and as a bookkeeping to help business owners get organized.

Legacy Solutions

PBS also includes working with clients to design a bookkeeping system to capture and organize important information such as passwords, assets, bills, and personal items. Having this information available will help you transition legacy.

The Coach

Cheryl Davis, M.Ed has led faith-based nonprofit organizations for over twenty years. She has been a Life Purpose & Discovery coach for five years, an Enrolled Agent licensed with IRS for two years, and expanded her business as a bookkeeper last year to share her expertise with entrepreneurs and solopreneurs.
