DOCK ROCK RADIO

Formed in 2017, Dock Rock Radio is a six-piece Georgia-based band bringing a fresh, high-energy approach to the smooth sounds of yacht rock. Built around strong vocals, polished harmonies and seasoned musicianship, the band combines the laid-back sophistication of classic West Coast favorites with the funk, disco and dance-floor hits that keep a crowd on its feet.

But this isn't yacht rock that stays politely in the background. Dock Rock Radio moves seamlessly from smooth '70s and '80s favorites into party classics from artists such as Earth, Wind & Fire, the Commodores, Kool & the Gang, KC & the Sunshine Band and Wild Cherry. The result is a show that can start with a sunset-at-the-marina atmosphere and finish as a full-fledged dance party.

Since forming, Dock Rock Radio has become a familiar presence at festivals, amphitheaters, country clubs, marinas, yacht clubs and community celebrations throughout Georgia. The band has performed multiple engagements at Margaritaville, including Memorial Day, July 4th, Labor Day and Poker Run events, along with repeat appearances at Lou Sobh Amphitheater and festivals and community events for the cities of Dahlonega, Loganville, Snellville and Sugar Hill.

The band's private and club performances have included Berkeley Hills Country Club, Hamilton Mill Country Club, Newnan Country Club, Traditions Golf and Country Club and Reunion Country Club, along with waterfront performances at Holiday Marina, Aqualand Marina, Sunrise Cove Marina, Allatoona Yacht Club and University Yacht Club.

Whether performing for a lakeside crowd, a city festival, a corporate event or a packed dance floor, Dock Rock Radio delivers a polished, energetic show built around great songs, musicianship and audience connection.
