*You may use **Kukui Nut Oil and Aquaphor** as needed! Kukui oil is a fantastic healing oil, and our company's secret to healthy healing. Kukui nut oil is full of antioxidants Vitamins A, C and E, and has proven to help skin conditions like eczema, psoriasis, and dry and chapped skin. It has been used by the early Hawaiians for generations to help soothe and rejuvenate their skin from the effects of sun and wind burns, and other forms of skin damage. It is noncomedogenic, doesn't clog your pores, making it safe for acne clients.

THINGS TO NOTE:

This is a quick 30-minute appointment!

You may return to your normal activities immediately after.

You might start to see your skin flaking around day 3, this is normal! Just continue to keep your skin hydrated.

WAXING may be done 2 weeks after your peel.

It's safe to receive BOTOX or FILLER immediately after, however please advise your professional when you receive this treatment. Some physicians suggest waiting 1-2 weeks.

Laser Treatments- Please ask your laser technician. We'd suggest at least 4 weeks.
