### GRAIN INSPECTION FEES AND CHARGES

**Effective Date:** October 1, 2023. This revised fee schedule supersedes all other fee schedules issued by this agency. “Federal Grain Inspection Service (FGIS) must approve all fees for official services and Official Service Provider (OSP) will assess only those fees appearing on their current approved fee schedule.

**Regular Hours:** 7:30 a.m. to 4:00 p.m. Monday through Friday, except holidays.

#### Regular Hourly Rate:

Includes: standby and travel, assessed in half-hour increments:

Inspectors	\$ 29.00
Samplers/Technicians	\$ 27.00

Hourly charges will be assessed in addition to Official Sample-Lot Inspection Fees. Omaha Grain Inspection reserves the right to determine the number and type of personnel to properly service the customer. Call in or out, back to work will be assessed a 4-hour minimum at the applicable hourly rate.

**Overtime Hourly Rate:** One and one-half times the regular hourly rate for Saturday, and other than regular hours.

**Sunday and Holiday Rate:** Double the regular hourly rate.

Holidays include: New Year’s Day; President’s Day; Good Friday; Memorial Day; Independence Day; Labor Day; Thanksgiving Day; and Christmas Day.

**Mileage:** The IRS standard mileage rate will be assessed per actual mile of travel. Any change to the mileage rate is effective when the IRS changes their standard mileage rate.

In addition to unit fees listed below, travel and standby time in half-hour increments, and mileage will be assessed for all services. Hourly rate will be assessed from time of departure to return. For work performed outside of regular hours, one and one-half the applicable hourly rate will be assessed in addition to unit fees.

Shawnie Lee

**Official Inspection Service:** Includes certification, file retention, other services as indicated. The hourly rate for inspectors will be assessed in addition to the unit fee and charges for samplers/technicians.

- **FGIS Supervision Fees.** In addition to all other applicable fees, FGIS supervision fees for domestic U.S. grain shipments inspected and/or weighed, including land carrier shipments to Canada and Mexico, will be assessed at the current per metric ton rate identified in FGIS Directive 9180.74 Service Fees and Billing Codes, Attachment 2. Invoices will identify assessed supervision fees as separate line items per applicable carrier/unit type.
- **FGIS Administrative Tonnage Fees.** In addition to all other applicable fees, FGIS administrative tonnage fees for export grain shipments inspected and/or weighed, excluding land carrier shipments to Canada and Mexico, will be assessed at the current per metric ton rate identified in FGIS Directive 9180.74 Service Fees and Billing Codes, Attachment 1. Invoices will identify assessed administrative tonnage fees as separate line items per applicable carrier/unit type.

Official commercial inspection services are available upon request, and fees for these services may be negotiated on a case-by-case basis.

**Weather Policy**

Omaha Grain Inspection Service, Inc. will adhere to the following inclement weather policy: Sampling and stowage examination may be delayed or dismissed when any of the following conditions exist: High winds, rainfall that creates conditions that are either dangerous to employees and/or degrading to the grain being sampled, lightning, snow and/or ice, any other weather related and/or facility specific condition that could put our employees providing the sampling or stowage service in jeopardy. Adequate lighting must be provided when onsite services are requested after sunset.

**Personal Safety Policy**

When a customer requests stowage or sampling service from on top of railcars, it is the customer responsibility to make the grain or stowage area accessible. Grain inspection employees do not open and close doors/lids. Also two people must be present during stowage or sampling service, 2 of our employees or 1 of ours and 1 elevator staff. Personnel must be able to “render aid if needed”.
