

PEHCHAN PAKISTAN CONTEST RESULT 2024

CELEBRATING HERITAGE & CULTURE
OF PAKISTAN

Derawar Fort (قلعہ ڈیراور) is a fortress in Ahmedpur East Tehsil of Bahawalpur District in Punjab.

Dear Participants, Teachers, and Parents,

We are delighted to announce the much-awaited results of the Pehchan Pakistan Contest today. Heartiest congratulations to all the National and Provincial Winners!

This year's contest was one of the most challenging for our judges due to the overwhelming number of submissions and the increasing instances of unoriginal work, including extensive use of AI tools. We understand that some participants may feel their entries deserved to win, but please remember that the judges' decision is final and remains unchallenged.

We would also like to emphasize that every student who participated in the contest has contributed to a greater cause—our charity schools for underprivileged children. Your participation has made a meaningful impact, and for that, we are truly grateful.

This year's result includes entries from both educational institutions and independent participants. However, students from special education schools were not included in the competitive category. As each child is unique, they will receive participation certificates and souvenirs to honor their efforts and talent.

We have taken every measure to ensure the results are accurate and free of errors. However, if you notice any discrepancy in the spelling of names or institutional details, we kindly ask you to overlook it and inform us for correction.

Please note that participation certificates for all students will be dispatched **after the winter break**.

Thank you for your continued support in making Pehchan Pakistan a success. Once again, heartiest congratulations to all the winners, their institutions, and their parents. We look forward to your participation in our future initiatives.

With warm regards,
Team Pehchan Pakistan
18th December 2024
