

WELCOME TO 1ST DEFENSE TRAINING, LLC

EDUCATE. PROTECT. DEFEND.

My name is Kelly H Bivins, and I established 1st Defense Training in January 2018. I was a victim in 2009 and realized I didn't know how to protect myself. That's when I made the decision that I didn't want to be a victim anymore, and received training, and I continue to train. My passion is to train others to feel confident, educated, & prepared to protect themselves, their loved ones, and others.

The 1st Defense Training Family provides outstanding training in the following:

- **Personal Safety**
- **Firearms Safety**
- **Fundamentals of Shooting**
- **Permit to Carry Concealed**
- **Advanced Defensive Carry Instruction**
- **Refuse to be a Victim & Active Shooter**
- **Youth Safety & Women Only Courses**
- **Corporate Training Available**

Our courses are customized to reflect and support the unique laws of the states in which we operate. Along with safety and legal training, 1st Defense Training teaches practical application of course materials.
