

# First Steps PDU

Our goal is for families to be as informed as possible, as early as possible! Here's a list of optional fundraisers and required fees that will come up during the school year!

## Supply/Activity Fee- \$35 due by August 13th.

This fee helps us cover extra art materials, books, science experiments, manipulatives, sensory bin materials, and other consumable items your student will use throughout the year.

## Photo Day Fundraisers- \$25 each

These fun photo days are optional for students to participate in! We do back to school Photos at the end of August, Fall Photos in October, Christmas Photos in December, Valentines Photos in February , and Spring Photos in April! Parents will receive edited digital images from each photo day.

## Party Fee \$5/per student

We keep parties low stress! By buying/preparing party items ourselves, it allows us to make sure that items are safe for all students who have dietary/allergy restrictions. We do a Fall Party in October, Christmas Party in December, Valentines Party in February, and Easter Party/Egg Hunt in April.

## Graduation Fee- \$40/graduate

In March, if your child is eligible to graduate, you will receive a form electing if they will participate. Graduation fees include: Cap and Gown Photos, Medal, Stole, Honor Chords (if eligible), Printed Diploma and Cover, Graduation Party

## Christmas Recital- Dec. 19 @ 6:30pm

Our students love preparing a Christmas recital for their families. All students participate in this program (unless parents opt out). It is free for students to attend, ages 5 and up will need a ticket. Tickets are \$2/piece and will go on sale 12/3.

## Year End Celebration & Graduation May 22, 2025

Our favorite night of the year! All of our classes prepare songs/dances to perform, and all students receive awards. Our Preschool graduation will also take place. This is free for students to attend, and \$5 for ages 5 and up.
