Happy New Year!!

Aren't you glad 2021 is over? I know we are. We are looking forward to providing more opportunities for in person gatherings once our HVAC units are replaced. Thank you for your generosity during our annual membership and donation campaign. We appreciate your support and generosity tremendously. We will be sending out annual tax statements in January for those donations that require one. If you didn't get one and would like one please contact the Center at 503-630-7454.

HOW CAN YOU HELP?

Become a member Donate Volunteer Refer

We appreciate your continued support through memberships, donations and volunteering and hope you will partner with us to make a difference in the lives of those we serve. Please share our needs with friends or family that would be interested in serving the Center. If you know someone in need refer them to the Center.

Seeking Candidates—It's that time of year again. We are seeking candidates to serve on our Board. Do you want to serve? Help the Center help Seniors and others in our community? Share all the wonderful work the Center does to assist seniors and community with your friends and family.? Then serving on the Board may be for you! For more details about becoming a Board Member, please call the Center at 503-630-7454.

Annual Membership —As a reminder, the Center recently sent out membership renewal/donation forms. If you haven't already returned yours please do so. Additionally, we appreciate returnees and new members who signed up to support the Center through membership donations, and/or volunteering. The Center couldn't provide the services we do without your continued support. The community appreciates you.

Volunteers— We are **seeking volunteer Meals on Wheels drivers** to support our growing program. We are actively serving 87 clients on the Home delivered Meal program and continue to grow. As a result, we need more volunteers in preparation to return to daily deliveries in the future. If you have a couple hours mid-morning during weekdays and are interested in service to others, please call the Center at 503-630-7454 to get the volunteer process started. All candidates will be required to pass a background check.
