

FAQs

Q - What type of license do I need?

A - KY Fishing License - Resident Annual License (\$23) or 7 Day Non Resident (\$35). Please check with Captain CT if Indiana waters will be fished on your trip!

Q - What do we need to wear?

A - Please dress according to weather - it can get cold on the water so it is better to bring layers just in case. There is plenty of storage on the boat to stow away extra clothing.

Q - What type of shoes to wear?

A - Please wear boating soft sole shoes (i.e. crocs, tennis shoes, XtraTuf or Huk ankle boots are all ideal!) Please do NOT wear work boots or cowboy boots - they are extremely hard on boat flooring.

Q - Can we bring food or drinks?

A - Yes, please bring what you would like to eat/ drink on the boat! There is a cooler available onboard or you are welcome to bring your own cooler/ bags for food.

Q - Do you clean the fish?

A - Yes. Catfish & Paddlefish can be cleaned for you at the end of your trip. Please bring a cooler if you intend on taking fish home.

Q - How long is the trip?

A - Charters are 5 hours long.

Q - Do you have a photographer / videographer available?

A - Yes, this is an added expense so please mention to Captain CT if you are interested. Captain & deckhand also take several photos throughout the trip and those are always included.

FAQs Continued

Q - Is equipment include?

A - YES - we provide everything you need to get the job done, including bows for children! The children's bows are set up with light draw weight.

Q - May I bring my own equipment?

A - Yes, absolutely.

Q - What happens in the event of a storm or unfavorable fishing conditions?

A - Captain CT will do his best to make the decision within 24 hrs of your charter whether to cancel or proceed with plans. Please stay mobile as location and timing of launch could vary.

Q - Should we book a hotel or AirBnb closeby?

A - I do not recommend booking anything too far in advance as fishing locations and weather could play a CRITICAL part in where we fish or if we fish (weather permitting). Please do not put yourself in the position where you cannot get a refund on a room / rental.

Q - Are deposits refundable?

A - In the event of a cancelation by the Captain, deposits are refundable or can be moved to a later date. Deposits will not be refunded in the event of a client cancellation of any sort.
