

Kathy's Dog Cabin

If you or any of your family have Covid Symptoms please do not book an appointment until you have all been clear for 10 days.

Social Distancing

Please ring the bell. I will open and step back. Enter and tie your dog to the hook on the wall and step back. I will then put my own slip lead on the dog. After telling me what is wanted you may then leave. Please take your lead and collar with you. Process will be reversed on collection. Hook, gate handles etc will be disinfected and my leads washed between dogs.

One dog at a time

As always only one dog at a time unless they come from the same household. Time taken to clean thoroughly between dogs.

All dogs will be bathed on arrival.

Protocol for working during Covid-19

Cleaning

The salon has been deep cleaned and non-essentials removed. All tools, floor, table and bath will be thoroughly cleaned again after each groom using approved disinfectants.

PPE

I will be wearing appropriate PPE at all times to ensure everyone's safety so please do not be offended by the gloves, mask and washable apron.

Essential Travel

I am unable to offer collection at this time due to the amount of work involved having to disinfect and clean the car after every dog. Please observe government travel restrictions when booking an appointment
