_____ is herein referred to as “Buyer and/or Purchaser” and **49 North Quality French Bulldogs** is herein referred to as “Breeder and/or Seller”

Our waiting list agreement is for serious buyers/purchasers only. A non-refundable deposit of \$500 gets you on the list (\$1000 for breeders). Depending on the waiting list, breeders will receive priority; however space is filled on a first come first served basis for pet owners. Being on the waiting list ensures you are getting the right temperament, color, structure, and sex that you are looking for.

In order for your \$500 **non-refundable** waitlist fee to be accepted, please agree to the following terms:

1. I understand and agree that my \$500 deposit for this litter is non-refundable. I understand that I can continue to hold my place in line and add myself to future reservation lists until I get the puppy that I desire per my choosing.

_____(Buyer initials) I understand and agree to the terms and conditions.

2. I understand that the timing of the litters, as well as a successful pregnancy is uncontrolled. Breeder reserves the right to cancel a reservation due to the best interest of the parents involved (the health of our parent dogs is paramount to having a healthy litter). In the event a reservation list (breeding pair) is canceled, I will be given other upcoming options or a refund. Heat cycles and timing are variable and as such, are not guaranteed.

_____(Buyer initials) I understand and agree to the terms and conditions.

3. The breeder will do their best to fulfill the buyer's requests for a desired puppy; however, the buyer understands that the breeder has no control over how many puppies will be in the litter and/or how many of each sex and/or desired color will be whelped.

_____(Buyer initials) I understand and agree to the terms and conditions.

4. Breeder will give buyer notice when puppies are born and will advise the buyer's of the projected pick up dates for the puppies. Projected dates can change at breeders will.

_____(Buyer initials) I understand and agree to the terms and conditions.

5. Once puppies have been born and if it's the buyer's turn to pick a puppy (based on waiting list number), then the buyer must decide within two weeks to pick a puppy from the current litter or pass/wait until the next litter. If the buyer does not find a puppy to their liking, this does not result in a refund.
