

Tennant Decorative Stone Slurry™ System

With Eco-DSS™

The Tennant Decorative Stone Slurry System is an innovative decorative flooring option, offering quicker installation and return to business compared to traditional decorative resinous flooring systems. With a sleek, modern, stone-like appearance – and a variety of colors to choose from – this system offers the best of both worlds...beauty and durability!

This stunning system is perfect for all customer facing areas and industries such as:

- Arenas & Stadiums
- Automotive
- Education
- Healthcare
- Pharmaceutical
- Restaurant
- Retail
- Veterinary

Sleek Style with Stone Slurry

Eco-DSS™ Product

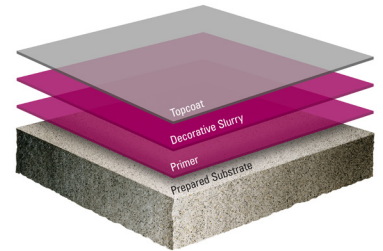

- Three component product
- Self leveling
- Enhanced UV Resistance

Why Choose Stone Slurry?

Tennant Decorative Stone Slurry™ System

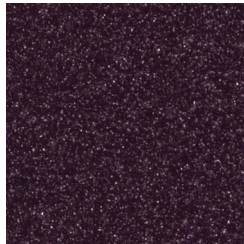

- A three layer system for quicker return to business
- Seamless system to help aid against bacterial and pathogen growth
- Easy maintenance
- Virtually undetectable repairs if needed
