Our **Special Needs Program** is for gymnasts ages 6 years and up. This specialized class is designed to meet the diverse needs of our community in a fun and safe environment. Towers Gymnastics aims to meet the needs of all children and all skill levels. The class is 60 minutes once per week (\$105 per month plus \$40 Registration / Anniversary Fee).

We would be happy to schedule a TRIAL class for you in one of our available classes. Enrollment for the trial class is held for that day only and you can enroll in a class that is different from the day / time you participate in the Trial class. Please use the Trial as your gymnast's opportunity to become comfortable in the Towers Gym environment and as your opportunity to see the structure (and fun) that a class at Towers will provide. The deposit for the Trial class is \$20 and once enrolled the deposit will be applied toward the Registration / Anniversary Fee (\$40). Once enrolled, the spot is held in that class at that time for the remainder of the Session or until you drop the class or switch classes. Tuition is paid monthly via automatic payments on the 1st of each month. You may pay by check or cash for tuition as long as the payment is received before the 1st of each month. We offer open enrollment and monthly commitment, so you can register or drop a class at any time. There is a discount on the Registration / Anniversary fee for siblings, and we also offer a 10% discount on tuition for siblings and multiple enrollments.
