Sub – Sales executive work

Dear All

issuing data:27/07/25

We are informing you about Sales executive work

## **The Role Of A Sales Executive**

The role of a sales executive varies based on the industry, but most share similar responsibilities. Because they often manage a team of sales associates, sales executives might combine leadership responsibilities with sales expertise to excel at their jobs. He should call to the customers and explain about our service if customer is interested The call is made by him or she That customer has paid registration fee The target will be counted for the SE Sales Executive For 1 target He will get 45rs

Base fee- 25 rs For communicating with customer

Appreciation- for completing Target 20 example =

10 targets will get 450 rs

20 targets will get 900rs

NOTE – The payout will be credited as per targets completed only

Total 45rs For completing target getting customer into the company the Amount only will be paid The customer joined in the company only

Disclaimer

if Sales Executive Misbehaving with customers will lead a serious action on him or she Like bad words etc Before joining we will collect 239rs As a security fee The amount will be not given it will be Debited In case of violating company rules and regulations of by SE or cs
