Dear Mr. Jette:

Following your telephone call, I am enclosing Annual Report forms for the years 1974 through 1977. I might remind you in filling out the Annual Report for each year that:

- 1) On the front, list the officers and directors for that year and their residence addresses, not the business addresses.
- 2) They should be signed on the back by the current officers and directors. If the president and treasurer also serve as directors, they must sign the form twice.
- 3) Also on the back, the forms should be dated the date they are actually signed.

Just in case of error, I have included one extra form. If you have any questions that we can help you with, please don't hesitate to call.

As I mentioned, I am also enclosing a number of membership application forms and a few copies of our news publication. I hope, as you and your club members see the merit of the above program and others that GOAL is striving for, you will support us in our efforts.

Thank you.

Sincerely yours,

Nancy W. Beverly
