

SOLITE[®]

GAME-CHANGING GEAR

Fall 2023–Winter 2024

SOLITE 2.0

Solite 2.0 Technology is now featured on ALL of our boots.

Better Fit

Barefoot Feel

Max Durability

Easier On-Off

Instant Response

8mm Custom Fire 2.0

Details Make The Difference...

SOLITE 2.0

5mm Custom Pro 2.0

Stealth Loop

- Low-profile, hydrophobic
- Durable textile laminate
- Tatex coated for strength

Thermal Rebound

- Aluminum laminate reflects body heat
- Plush quick-dry fibers
- 10% warmer
- Low friction for ez on-off

Thermofoam 2.0 Sole

- Custom fit with heat
- "Micro-Split" toe divider
- Increased comfort, durability, and warmth

3-Point Foot Strap

- Precise fit and stability
- Floating D-ring for optimum fit
- Standard on Custom Pros and Custom Reef

3D-Molded Outsole

- One-piece cradles the foot
- Enhanced coverage and protection
- Standard on 2mm, 3mm, and 5mm boots

No Compromise Gloves...

Maximum Warmth

Insane Durability

Rail-Grabbing Grip

3D-Grip Palms

- High-stretch lined exterior
- Full coverage 3D palm print
- Durable grip on rails, bars, booms, and paddles

Split-Mitt Design

- Mitten warmth, glove dexterity
- Pre-curved in paddling position
- Available in 5:3 and 6:4 styles

Hex Shield

- Absorbs solar radiation
- Repels water to stay light
- Increased durability

Overkill Seams

- Less seams = more durable
- Triple glued and blindstitched
- Liquid-seal exterior, spot-taped interior

EZ-0 Cuff

- Seamless flush-resistant cuff
- Double-lined for durability
- EZ on/off just like our boots

Convertible Watersports Hat

High Performance Sun Protection

☂ 50°F / 10°C+

Wear Visor Forward
For max sun protection

Flip Visor Backward
For max peripheral vision
and easy duck-diving

Black
SKU#: 22021-B

Khaki
SKU#: 22021-K

Features

- Nylon/Polyester Construction
- Neoprene/Mesh Ear Flaps
- Adjustable Neoprene Chin Strap
- Adjustable Quick-Clip Rear Strap
- Silicone-print headband

Benefits

- Durable, water and UV resistant
- Protects ears and quick draining
- Comfortable and secure in rough waters
- Durable one-size-fits-most adjustment
- Stays secure when duck-diving

3mm Custom 2.0

Simply the Lightest
