Goal 2: Appearance of Town:

Goal 3: Creating opportunities for youth/teen involvement in the community

Technology: Our fax machine died; it should be replaced this week. Kvac is installing conference room screen on July 18. I'm still waiting for projected costs from Oliver Consulting.

Landscaping/Building: The sprinklers were leaking/not working, but Jimmie with the street department thinks they have them fixed; a celluloid was burned out. The roof has been leaking; the last rainstorm it did not leak. Robyn Geiser is now in charge of contacting the roofer.

Staff/Board: I have interviewed several people and will be doing reference checks on Monday.

Programming: For July programming, see link at <https://wilsonpubliclibrary.org/newsletter-%26-docs>

Sincerely, Laurie Yocom, Wilson Public Library Director
