

Puzzle 2

[I bet - you're wondering - why - I spent all - this _ time to - create - such a - go -
nowhere - loop - around _ tab clicking - labyrinth - so - I'll tell - you the - fact ___ is it's -
not - really that difficult - to - get - through _ but the - enticement - of your - curiosity - is -
what - I _ was after - if - you - think there - is some sort ___ of prize - then - you figured -
right mostly it's - to _ educate you - on - a - theory I - have that may ___ or may - not - be
real to - which - it - probably _ isn't anywho - the - theory is - you know how - the _ world
leaders - speak - live - on the - old - groove tube _ like they're - reading - off a que - card
or - in ___ a broken - speech - pattern with - odd - pauses and - connected _ words that -
seem - to run sentences - without any - spaces ___ between the - words - kinda like how
this is - written ___ well remember - no - matter where you - are there - you _ go If - you -
feel - life's - content no anger left _ to vent - try - a - puzzle you - will see the _ space
reserved - is - more you'll - see - read the message ___ find the key - to that that hides in
reality ___ it's in your - face it's - everywhere get - off - of _ the couch and - feel - the air
smell a - rose _ touch a tree - feel - the grass - beneath your feet _ you ask yourself -
why - am I - here so you _ think must I - remind - you of what you have _ done until you
- can - see with - the use of _ the key everything - you - hear you can not - believe _ the
only thing - left - to say to - yourself - is _ to unfold the - truth - of these – lies - in - your
_ head remember these - words - and - remember them well - being _ in comfort is -
what - drives us - all - with - concurrence _ of this progress - continues - until a - new -
challenge puts ___ it in - fault this should not be welcomed but _ must be expected - this
- is life's - proportional - integral derivative _ to which - we - must - constantly adjust to
CONSTANTLY that ___ is all - and - good luck - to - you all - !]
