

THE ANI MAAMIN FOUNDATION PRESENTS OUR NEWEST BOOK:

A TORAH PERSPECTIVE ON THE CHALLENGES OF LIFE BY RABBI DOVID SAPIRMAN

HOW DO WE UNDERSTAND:

- Why sometimes good people suffer
- Why sometimes bad people prosper
- Why the Jewish people have been singled out for such endless travails
- That everything Hashem does is for the good

"I recommend this book to every thinking individual, young and old, who wants to strengthen their Emunah and Bitachon, by appreciating better how Hashem guides and directs the affairs of the world."
