STATISTICS tracking of **inclusions** by study, status of **studies** and **audits**.

Managing your projects

- Creating a Study Project

Find informationS relating to the creation of a project, as well as the financing and provisional budget of your project.

The screenshot displays a project management interface for a project named 'ZTEST'. The interface is organized into several sections:

- WORKFLOW:** A horizontal timeline showing the project's progress through five stages: Created, In process of assembly, Abandoned, Archived, and Validated. A 'Manual state' toggle is visible on the right.
- GENERAL INFORMATION:** A section containing fields for 'Title', 'Acronym' (filled with 'ZTEST'), and 'Protocol number'.
- TYPOLGY:** A section with dropdown menus for 'Trial type' (selected as 'RIPH_Cat. 1 - Dispositif Médical') and 'Speciality' (selected as 'Biologie médicale et physiologie').
- PROJECT HISTORY:** A section with columns for 'Creation date' and 'First mail contact date'.
- HUMAN RESOURCES:** A section with dropdowns for 'Project holder' (selected as 'FROME Louis') and 'Service'.
- FINANCING:** A section with a table showing financial details:

N°1		
Finance requested :	12000	Source :
LI result :		Candidacy result :

Managing your tests

Heart of the solution

This module will allow you to manage your Clinical Trials, Activity and Status of the progress of the investigation centres, as well as their inclusions.

Additional tabs:

- Monitoring
- Planner
- Flowchart
- Deviations
- Providers

 - Acronym: ZTEST
 - Title: [Empty field]
 - Creation date: 02/07/2024
 - Promoter: test
- TRIAL TYPOLOGY:**
 - Principal objective: [Empty field]
 - Trial type: RIPH_Cat. 1 - Dispositif Médical
- INCLUSIONS & CENTERS:**
 - Number of expected patients: 200
 - Actual number of included patients: 2
 - Multicentric / Monocentric: Multicentric regional
 - Expected centers number: 3
 - Active centers number: 0
 - Recruitment duration (months): 0
 - Follow up duration (month): 0
 - Total search duration: 0
- INTERNAL STAFF:**
 - Coordinating investigator: FRIMF1 avie
 - Co-Coordinating investigator: [Empty field]

Finance

Centralization of your finances

Find all the expenses and revenues made by study, service, nature and condition, as part of your tests.

The screenshot displays a web interface for financial management. On the left is a vertical sidebar with icons for home, calendar, list, group, handshake, briefcase, document, bar chart, magnifying glass, and refresh. The main content area is titled "Finance" and has three tabs: "Total finance" (selected), "Expenses", and "Incomes". Below the tabs is a table with the following columns: TRIAL NAME, DATE, SERVICE, TRIAL HOLDER, NATURE, AMOUNT, STATE, and INVOICE. The table contains three rows of data. Above the table are several filters: a dropdown for TRIAL NAME, a date input for DATE (format: jj/mm/aaaa), a dropdown for SERVICE, a dropdown for TRIAL HOLDER, a dropdown for NATURE (with "Choose from the list" text), and a dropdown for STATE (with "Choose from the list" text). To the right of the table are buttons for "+ Add resource", "Reset", and "Export".

TRIAL NAME	DATE	SERVICE	TRIAL HOLDER	NATURE	AMOUNT	STATE	INVOICE
<input type="checkbox"/>	<input type="text" value="jj/mm/aaaa"/>	<input type="text"/>	<input type="text"/>	<input type="text" value="Choose from the list"/>	<input type="text"/>	<input type="text" value="Choose from the list"/>	
<input type="checkbox"/>	zoro		Louis FROME		1000		
<input type="checkbox"/>	zoro		Louis FROME		12000	Completed	
<input type="checkbox"/>	xxx		Louis FROME		3400
