

What will students learn in art?

This class is organized to maximize creativity, improve skills, & challenge minds.

Explore

& respond to historical and contemporary works of art from around the world

Collaborate

in large and small groups to learn new concepts and grow new ideas

Problem Solve

through critical thinking challenges based on personal experiences, aesthetic choices, and informed content

Create

meaningful works of art through addition of new skills and ideas

Communicate

knowledge, skills, and ideas through artist statements and personal reflections

Publish

creative work online. Finished artwork and artist statements are published to Artonia.com
