Dear Indian in a Jar Devotees! We have made the following changes to our business model and risk assessment in connection with the recent **COVID19 outbreak.**
Kindly co-operate with us.

1. SOCIAL DISTANCING TO PREVENT TRANSMISSION AND ACQUISITION OF

VIRUS: Please co-operate with us and observe the social distancing policy in line with current Government guidelines. We have devised our own SOCIAL DISTANCING policy and use WARNING TAPES, signs, notices, and displays to implement the 2-meter rule. The tables will be arranged in such a way there is 3-meter gap maintained at all times between the customer and the staff. Please respect it.

2. CONTROLLED ENTRY POLICY:

Only serving one customer at a time while remembering to keep to the 2-meter social distancing rule. PLEASE RESPECT THE COVID19; 2-METER CAUTION/ WARNING TAPES AND STICKERS ON THE FLOOR.

3. CONTACT-LESS SERVICE: We now offer a contactless service when the customer visits our stalls. Purchase and payment can be without any contact with our team.

4. SELF-ISOLATION RULE: We are fully aware of the Government guidelines on self-isolation and wish to confirm that our staff will self-isolate if they show any symptoms of the infection.

5. NO FREE SAMPLES/TASTER: Apologies to all India in a Jar Devotees. We no longer offer free samples/taster/ product trials. We have now stopped giving out FREE SAMPLES / TASTERS to customers owing to the COVID19 outbreak.

6. USE OF PPE (Personal Protective Equipment): We continue to use food gloves and hair protection and now use plastic aprons (instead of cloth) and use surgical guards/masks while trading at markets. We also keep hand sanitizers and hand wash and basin at our stall.

7. TAKEAWAY FOOD MODEL ONLY: All our products meet the latest guidelines. Our products are not suitable for consumption on the premises and are 100% takeaway chilled food, ambient sealed jars of pickled spice concoctions, cooking spice powder blends, and recipe mixes in sealed sachets.
