

SPRING 2024 TURKEY HUNT

Pictured below is U.S. Marine Veteran Paul Ciletti with a nice 20 lb. Jake he harvested on his first day out. On Paul's right is Farm Gang family member Tom Fellin, and on his left is Farm Gang family member Anthony Schafer. Both family members were guides for Paul when he harvested this impressive Jake. The weather was on our side this time around, so it always makes it an even more enjoyable hunt.

Well done!
