

Uniform Care

Pride in Your Uniform A Commitment to Excellence

1. Uniforms must be kept in garment bags when not being worn and hung up. Gauntlets must be kept with uniforms in the-garment-bag.
2. Do not cut any fabric on uniforms or make any alterations. Any hems must be handsewn. Students are responsible for hemming pants to correct length. Pinning the hems is unacceptable.
3. All uniforms must be dry-cleaned-do not wash. Before having uniform dry-cleaned, remove the gold strip on front of uniform by unsnapping it. Be careful not to crease or fold the gold strip or gauntlets. The gold strip and the gauntlets are not to be dry-cleaned. If gauntlets become dirty they may be hand-washed in cold water and laid flat to dry. Do not iron any part of the uniform.
4. I understand that there will be periodic cleaning checks where I must provide proof of dry-cleaning.
5. I understand that no pants or shirts may be worn under the uniform other than the band t-shirt, and black under armour (or similar)

6. I understand that I must wear black calf to knee high socks under my uniform. Black band shoes must be worn.
7. I should not eat in uniform except when directed by the band administration.
8. When I am in uniform I am representing the South Brunswick Viking Band and am expected to act accordingly. My uniform is to be worn ONLY at band sanctioned events.
9. I am responsible for any damage to the uniform.
