SUBJ: New Report: Equipment Drive For Underprivileged Children Hosted by PGA TOUR

Hi Matthew- Today, the PGA Tour announced a golf equipment drive for underprivileged schools in the Dallas area.

The event will last a week, beginning on Oct. 21st and ending on the 28th. Attractions will be set up alongside donation boxes at the 2nd Swing Golf store in Frisco, Texas. There will also be food from local restaurants, interactive golf games and guest appearances from PGA Tour players. Dallas natives Scottie Scheffler and Jordan Speith will join the fun and match the total donation amount at the end of the week.

Dallas ISD had the largest [budget deficit of \\$186 million](#) going into the 2024-2025 academic year.

The PGA Tour believes that it is important to support underprivileged communities and grow the game of golf.

Would you be interested in covering the event to show the benefits to the community and highlight the PGA Tour Impact program?

Let me know if you would like to discuss further.

Thank you,
Jacob Pasteur
