

## Art Classes @ Danvers Art Association

[DanversArtClass@gmail.com](mailto:DanversArtClass@gmail.com)

The Danvers Art Association will be offering weekly classes with instruction in various drawing and painting media to groups of students ranging in age from 8-17. Student will enter our program with varying levels of skill and experience but will ALL be challenged to improve. Our number one goal is for each artist to have FUN and push their creative limits! Students will strive to improve on technical & compositional skills that lead to more successful artworks. Our weekly classes will offer demonstrations, studio time to create, and guided instruction. Students will be encouraged to continue practicing during the week between classes as well.

Media that will be explored include: Pencil, Colored Pencil, Ink, Pastel, Watercolor and Acrylic paints. Students will be involved in selecting thematic compositions from landscape to animals to portraiture. Our instructor Mr. Jeffrey Surette has worked as a professional art educator in public schools since 1994 in Derry, NH and Danvers, MA. Mr. Surette has a talent for bringing out the best in his students and consistently offers a supportive fun environment to express creativity and learn. Check out the gallery link on the Danvers Art Association page for student examples.
