June 9-11, 2026

Waverly, IA
July 14-16, 2026

New Kent, VA
July 28-30, 2026

Springfield, MO
June 24-26, 2026

Kids Feeding Kids supports grades 7-12 FCS/CTE foods classrooms by fully funding ingredients & supplies for skills-based culinary projects. Students explore the root causes of food insecurity, learn practical ways to prevent food waste, and prepare nutritious meals for local families and earn community service hours. To learn more, visit kidsfeedingkids.org or watch this [video](#) of students and educators as they reflect on their Kids Feeding Kids Experience.

Kids Feeding Kids believes teachers and students are agents of social change and community leadership. Let's. Do. This. Together!

***Applications will open Mid-February. Space is limited. Sign up to be notified by email when applications are available.**
