At this time John Pronko addressed the Board and presented some requests regarding the roads (Mumford, Blatchley, Yule Corners, and Osley) through his farmland. His concerns included roads being widened into his fields, when roads are graded dirt is deposited into his fields, when highway workers mow, they deposit clipping into his hay fields. These opinions were from Mr. Pronko's attorney. He also had maps from a surveyor he had hired at his own expense

showing the road edges in question. He requested that the Town Highway crew do what is necessary but nothing more.

Rolf Dominikov reported that the Board of Assessment and Review only has 2 members and should have 3. The Board will consider this.

Father Harding told the Board that the traffic past the Monastery and it's buildings is going very fast. He would like to have additional signs. This is a County road.
